

## ONE Executive Director job posting

In celebration of 18 years developing Arizona's nonprofit leaders, the Organization of Nonprofit Executives – more familiarly known as ONE – is seeking to hire the organization's 1st Executive Director to provide the visionary leadership for the successful achievement of three strategic goals: fundraising, membership growth and program development.

As the sole employee, the successful work-at-home candidate must be a self-starter, demonstrate experience working independently, be results-oriented and possess the ability to work collaboratively with leaders from a cross-section of nonprofit disciplines.

Benefits for this full-time position include: salary range of \$40k-45k, cell phone, auto allowance, paid vacation and annual performance bonus contingent upon the achievement of defined goals, which include resource development equivalent to the position's salary.

The Executive Director is supervised by a voluntary Board of Directors, with responsibility for increasing sponsorship revenue, cultivating organizational relationships, expanding membership and developing educational program opportunities that compel engagement, encourage learning and foster interest in future program participation. Additional responsibilities include board relations, PR & marketing and management of an annual operating budget of less than \$100,000.

Founded in 1998, ONE has continuously provided opportunity for Arizona's nonprofit chief professional officers to network with other nonprofit professionals, develop leadership skills and learn best practices as shared by members in a supportive, peer-to-peer environment.

With a strong foundation the result of a thoughtful and productive past, ONE's present focus is strategic growth and a dream for a sustainable future. If this opportunity inspires you to share in the spirit of ONE, you are encouraged to apply by emailing your resume and cover letter expressing interest to: [hr@oneaz.org](mailto:hr@oneaz.org) with ONE Executive Director position as the subject, no later than Tuesday, October 31, 2017.

For additional details on the job description and position qualifications, or for more information about ONE, please visit [www.oneaz.org](http://www.oneaz.org)
